Around the 8 mile mark you will go down a steep hill with a couple of curves and then a long straight where you will cross a bridge. Just after the bridge make a left turn onto Star Tannery Road. There is a sign for a POST OFFICE on 55 where you make the left. Follow this road

for about 4 miles. On the way to the lodge you will come to a split in the road, continue to follow the road to the left and you should immediately see the STAR MARKET on your left. You are almost there.

Proceed on ST Road, you will come to a steep hill with a curve to the left. The Lodge road is in the curve directly in front of you as you come up the hill. If you make the curve and start up the long steep hill you went to far.
